**NOTICE TO THE PH.D ASPIRANTS**

**(For Engineering, Pharmacy, Architecture, Science, Management and Computer Application streams)**

The Ph.D aspirants are hereby informed that as per the revised UGC guidelines, 2016, a candidate shall have to complete the course works in one or two semesters. Therefore, they should choose such centres out of the approved list where the proposed core research papers are taught in the post graduate level (M.Tech, M.Pharm, M. Arch, M.Sc, Management and computer Application) in the current even semester or about to be offered in the forthcoming odd semester in July 2017 for completing their coursework.

Candidates who have already submitted their applications indicating the choice of centres are advised to exercise their options of the subjects and centres afresh taking into account the above aspects provided their earlier application does not fall in line with the above stipulations. They are advised to submit the application in the prescribed format once again within 18/02/2017.

The candidates and their supervisors are further advised to look into the BPUT syllabus and the course offerings at the approved centres before they lock in their choice of subjects of coursework and centres.
